Chapter 6

Summary: Efforts to find a South African or International Psychiatric or Psychological Organisation or Psychiatrist or Psychologist Professional whose Organisational or Individual Professional Ethics compel them to (i) base their psychological social conflict mitigation and reduction management therapy practice based upon Ecological Reality Facts; and (ii) testify under oath to observable Ecological factual reality in any court of law.

Ecological Reality Facts being: (a) Earth is not flat; (b) Earth renewable and non-renewable resources are finite; (c) When humans breed or consume above ecological carrying capacity limits, it results in resource conflict; (d) To sustainably protect and conserve natural resources in accordance to local and national carrying capacity limits; and restrict national and international inter-cultural resource war conflict; humans must implement an international law social contract that restricts all the worlds citizens to breed and consume below ecological carrying capacity limits.
